## LOS ANGELES HAZARDOUS WASTE FACILITY BUSINESS INFORMATION

### Capacity - Experience - Support

With nearly one million gallons of daily tank capacity and 400,000 gallon equivalents of container storage, Evoqua's Los Angeles waste treatment facility is especially suited to handle high volume events such as production surges, plant turnarounds, tank overflows and emergency response events. Waste can be delivered in any quantity, in packaging ranging from small pails to drums, bag/boxes, bins, vacuum trucks and rail cars.

### Wide Variety of Wastes Accepted

Hazardous (RCRA/Non-RCRA) and Non-Hazardous Wastes including, but not limited to:

- Acids and Bases, pH 0-14, liquid or solid
- Solids for consolidation including soil, debris, ink, oil, diesel, and glycol wastes
- Groundwater, Wastewater and Rinsewaters
- Cyanide wastes
- Metal bearing wastes for recycling
- Photo processing wastes
- Off-spec chemicals

### Industrial Waste Management Services

We have the people, technology and capabilities to get the job done!

As a fully permitted, RCRA Part B, treatment storage and disposal facility, we provide treatment, recycling and disposal services for a wide variety of liquid and solid industrial wastes.

To provide you with comprehensive support we maintain an on-site State Certified Laboratory, Environmental Health and Safety staff, highly experienced Sales, Customer Service, and Operations personnel.

### Evoqua Advantages

- Capacity, flexibility and convenience
- Hazardous or non-hazardous waste
- Centrally located, easy access
- Experience and technical support
- State Certified Laboratory on site
- Tours and audits welcome

## General Information

Evoqua Water Technologies LLC

5375 S. Boyle Avenue

Los Angeles, CA 90058

(EPA Id.# CAD097030993)

Phone: 800.266.7747, 323.277.1500

Fax: 323.588.0094

Email: [vernon.water@siemens.com](mailto:vernon.water@siemens.com)

## Hours

Waste Receiving

Monday – Friday 6:30 a.m. – 6:00 p.m.

Weekend, holiday and extended hours by appointment.

Business and Administrative

Monday – Friday 7:30 a.m. – 4:30 p.m.

## Waste Samples, Profiling and Shipping

Samples are accepted 8:00 a.m. to 4:00 p.m. Monday through Friday. Many common wastes that can be characterized can be pre-approved and analyzed on arrival. Contact Customer Service to determine if a pre-shipment sample is required for your waste.

An approved profile form is required for all wastes delivered to the facility.

For scheduling waste deliveries, contact Customer Service at 800.266.7747.

## Forms and online information

Profile and LDR forms as well as other information including a facility audit handbook are available for download online.
